Kent:

The countdown is on! Two more sleeps and we get to party - I can't wait to share by big day with all of you!!

It is no secret that DTLA is the coolest place in the country now and so I decided to book out my friend's newest restaurant so we can kick up our heels a little (or a lot!)

They've done a soft opening so everything is new and fresh and we get to enjoy the amazing food and some very refreshing cocktails.

Please join me Wednesday, July 29 @ 6:00 p.m. DTLA and let's have a cocktail together. We'll have great food, music and a chance to mingle and

connect

Thank you to everyone who has already RSVP'd. I'm closing out the guest list so email me right away and let me know if you are bringing a date or colleague. There might even be a secret passcode for entry. **Just reply**

to this email.

Did I mention Dress to Impress?

I'm excited to see you and celebrate.

It is summer afterall.
